It is intended to provide for places to work with the conveniences of services within a centralized area. It should be located along major arterial streets and may be located along the SH130 and SH45 corridors. Adjacent zoning includes Light Industrial (LI) to the west and Corridor Urban (CL4) to the east and south of the subject site.

Per the Comprehensive Plan, Preferred Land Use Vision Plan (Future Land Use Map), the subject property is generally located within an area for employment uses within an overarching "Employment Center". The proposed rezoning is generally in conformance with the Comprehensive Land Use Plan.
