Authorizing the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents between Cactus Commercial South, LP and the City of Pflugerville as necessary to acquire real property interests for the Weiss Lane Roadway Project.

The Weiss Lane Roadway Project requires property acquisition, including the acquisition of right of way and a public utility easement necessary to construct the project. The City's property acquisition consultant and city staff have negotiated with Cactus Commercial South, LP (Parcel 4) for the needed right of way and easement. The cost of \$1,383 for both agreements has been agreed upon, subject to City Council approval, based on appraisals obtained by the City.

Approval of this item will authorize the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents necessary for formal conveyance of the real property interests.

The City Attorney has reviewed and approved the language of the purchase agreements.
