Legislation Text

File #: 2017-5585, **Version:** 1

Discuss and Consider Action regarding establishing a Tree Care Advisory Board Committee, establishing associated duties and selecting from the members of the Commission a Committee Chair.

The Parks & Recreation Commission also serves as the Tree Care Advisory Board for the City.

At its December 15, 2016 and January 19, 2017 Regular Meetings, the Commission expressed interest in establishing a Tree Care Advisory Committee and selecting from their ranks a Chair.

This item allows for the Commission to discuss this further, consider establishing a Committee, establishing the duties of that Committee and to select a Committee Chair.
