To receive public comment and consider an application to Replat Lot 3 Block A, of the Springbrook II Business Park subdivision, in order to create two lots (FP1710-02).

The proposed subdivision consists of 1.26-acres of land located generally east of the Picadilly Drive and Central Commerce Drive intersection. The original tract of land was platted in 2005 as a part of the Springbrook II Business Park subdivision and is currently zoned General Business 2 (GB2). Lot 3 Block A contains two existing buildings fronting Picadilly Drive, one is a business known as Infinity Conversions and the second business is known as Bridgefarmers Custom Trophy and Screen Printing. The owner of the property has created a shared driveway easement agreement between lots 3A and 3B of the replat.
