Discuss and Consider Action regarding continuing the Tree Care Advisory Board Committee, establishing associated duties and selecting from the members of the Commission a Committee Chair.

The Parks & Recreation Commission also serves as the Tree Care Advisory Board for the City.

At its December 15, 2016 and January 19, 2017 Regular Meetings, the Commission expressed interest in establishing a Tree Care Advisory Committee and selecting from their ranks a Chair. At its February 16, 2017 Regular Meeting that was done.

This item allows for the Commission to consider continuing the Committee, establishing the duties of that Committee and to select a Committee Chair.
