Discuss and consider action to schedule a Special Meeting (Retreat) and place items on that agenda.

For several years prior to last year, the Commission has participated in an annual retreat with City Staff to discuss several items related to the Commission, including Roles & Responsibilities, Master Plans, the Parks Capital Improvement Program (CIP) and projects. Last year, this was done one-on-one with new members of the Commission and through a worksession prior to a regular meeting.

This is the opportunity for Commissioners to decide how they would like to approach such this year, select a date for a retreat and approve the placement of items on that agenda if desired.
