

City of Pflugerville

Legislation Text

File #: 2018-6883, **Version:** 2

Discuss and consider approval of land use assumptions and growth projections prepared for the Water and Wastewater Master Plans.

As part of the water and wastewater master planning process, the City's consultant, Freese and Nichols, Inc., have drafted future land use assumptions and growth projections for the projected build out of the community in order to anticipate the City's future water and wastewater needs within the associated service areas.

Planning and Zoning Commission Action

The Planning and Zoning Commission recommended approval at their July 2, 2018 meeting.

Staff Recommendation

Recommend as proposed.
