Discuss and Consider Action regarding continuing the Tree Care Advisory Board Sub-Committee, establishing associated duties and selecting from the members of the Commission a Sub-Committee Chair.

The Parks & Recreation Commission also serves as the Tree Care Advisory Board for the City.

At its December 15, 2016 and January 19, 2017 Regular Meetings, the Commission expressed interest in establishing a Tree Care Advisory Sub-Committee and selecting from their ranks a Chair. At its February 16, 2017 Regular Meeting that was done. The Commission also voted to continue this sub-committee at its January 18, 2018 Regular Meeting.

This item allows for the Commission to consider continuing the Sub-Committee, establishing the duties of that Sub-Committee and to select a Sub-Committee Chair.
