

City of Pflugerville

Legislation Text

File #: 2019-7425, **Version:** 1

Authorizing the City Manager to execute a contract for the maintenance of the City's Colorado River raw water intake systems with Underwater Construction Corporation in the amount of \$51,738.00.

This contract is for one-time removal of silt and debris from the City of Pflugerville raw water intake system on the Colorado River. Three bids were received at the bid opening, however, H2O Solutions subsequently revoked their bid. The lowest responsible bid for removal of silt and debris was \$51,738.00 from Underwater Construction Corporation. This is the first time the City has bid this service.

The bid information for Underwater Construction Corporation, and the bid tabulation sheet for this bid are attached to this agenda item. References, insurance and other information requested in the bid packet have been checked and verified by staff.
